Chicago, Illinois - Renkara Media Group is pleased to announce the v1.2 release of AccelaStudy Vocabulary Builder for GRE(R) and GMAT(R), advanced English vocabulary education software for the iPhone and iPod Touch. AccelaStudy Vocabulary Builder for GRE(R) and GMAT(R) now delivers the most comprehensive audio support of any vocabulary application in the App Store with 600 professionally recorded pronunciations.

New features of AccelaStudy Vocabulary Builder for GRE(R) and GMAT(R) include:

- * An additional 50 words have been added to the vocabulary list bringing the total number of vocabulary words to 600.
- * All 600 vocabulary words are now accompanied by audio pronunciation. The audio pronunciations are of the highest quality: static- and noise-free and recorded in-studio by a professional voice actor. The result is a clear and pleasant sound perfect for repetitive listening.
- * The total number of example sentences illustrating proper use of the vocabulary words has been doubled. Each word now includes two example sentences, bringing the total number of example sentences in the application to 1,200.

Please see the AccelaStudy website for screenshots, demo and tutorial videos, and additional information.

System Requirements:

- * iPhone or iPod Touch
