

## Take your Geek bashing on the iPad

Published on 11/03/11

Published by NTT Resonant, Berzerk Ball HD 1.0.2, a retina display version of the 4.5 star game Berzerk Ball, is now available in the Apple App Store. For those new to Berzerk Land and geek bashing, you'll start by choosing one of multiple characters, each with their own unique strengths and weaknesses. Touch the aim and strength meters at the right time to maximize the velocity at which you smash the geek into Berzerk Land, while using the arrows to grab items for extra propulsion.

Tokyo, Japan - Published by NTT Resonant, Berzerk Ball HD, a retina display version of the 4.5 star game Berzerk Ball, is now available in the Apple App Store for \$2.99. Berzerk Ball HD is a simple arcade/action game. Players smash Comeau, the "geek" across Berzerk Land. Berzerk Ball HD optimizes the Berzerk Land experience for iPad users for the first time.

For those new to Berzerk Land and geek bashing, you'll start by choosing one of multiple characters, each with their own unique strengths and weaknesses. Touch the aim and strength meters at the right time to maximize the velocity at which you smash the geek into Berzerk Land, while using the arrows to grab items for extra propulsion. Compete with other players online and achieve the longest geek flight in history!

Berzerk Ball HD Features:

- \* Tap to Smash - Just tap the meter at the right time to send the geek flying, and strategically control in mid-air to send him flying even further
- \* XP and Leveling - Smash the geek just right, and the further you send him into Berzerk Land the more XP and money you earn for levelling, attributes and gear
- \* Flight Control - Affect the geek's flight and get help from the denizens of Berzerk Land to smash him even further.
- \* Unlock various achievements and badges to compare and share with friends.
- \* Game Center - Game Center integration to decide the world's best geek basher
- \* Feels so good - Take out your aggression on the geek and experience the pleasure of bashing him to oblivion

Get Your Comments Published:

- \* Write a review with your own funny geek comments for a chance to get it published in the next update

Device Requirements:

- \* iPhone, iPod touch, and iPad
