

Intar Technologies Ltd reveals iPhone version of Pocket Mini Golf 2

Published on 11/10/08

In association with Momentum Games and Chillingo Ltd, Intar Technologies Ltd are proud to reveal the imminent release in December 2008 of Pocket Mini Golf 2 for iPhone and iPod touch. Pocket Mini Golf 2 is the follow up to the hugely popular multi award winning miniature golf game "Pocket Mini Golf", and features a massive variety of holes, including fairways, rough, sand pits, beaches, loads of interesting objects to negotiate and much much more.

Birmingham, United Kingdom - In association with Momentum Games and Chillingo Ltd, Intar Technologies Ltd are proud to reveal the imminent release in December 2008 of "Pocket Mini Golf 2" for iPhone(TM) and iPod(R) touch. The Pocket Mini Golf series has won multiple awards on PocketPC, Smartphone and PC - now it can be enjoyed on the iPhone(TM) and iPod(R) touch too.

Originally developed by Momentum Games, and published/promoted by Chillingo Ltd, the game has been converted to iPhone(TM) and iPod(R) touch by Intar Technologies Ltd, a UK developer with a long history of videogames development.

"Pocket Mini Golf 2" features a massive variety of holes, including fairways, rough, sand pits, beaches, loads of interesting objects to negotiate and much much more ...

Located in Leamington Spa, Warwickshire, England, Intar Technologies Ltd was founded in 1997 by Ashley Hogg. The company has been primarily involved in the development of videogames, with experience covering most commercially available games systems. The company has also taken on occasional consulting and support roles both inside and outside the videogames industry. Intar is expecting to expand over the coming year to develop more games and software for iPhone(TM), Mac OSX, and other platforms. The company is also currently investigating the possibility of establishing a division in France. Apple, the Apple logo, iPhone and iPod are registered trademarks of Apple Computer in the U.S. and/or other countries.
