Published on 11/14/08

Houdah Software is proud to announce the immediate availability of ACTPrinter for iPhone and iPod Touch. ACTPrinter is a game changing application which finally takes the paper out of electronic tickets, boarding passes, and more. With ACTPrinter all your documents travel with you - on your iPhone. Take emails, web pages, letters, and more with you for reading on the go.

Luxembourg - Houdah Software, publisher of HoudahSpot and HoudahGeo, is proud to announce the immediate availability of ACTPrinter for iPhone and iPod Touch. With ACTPrinter all your documents travel with you - on your iPhone. Ever wondered why you always end up printing those so-called electronic tickets, boarding passes, bar codes, and more?

Wasted a sheet of paper to remember that "will call" pickup number? No more! Beyond serving as a medium for tickets and the like, ACTPrinter is also a document reader. Take emails, web pages, letters, and more with you for reading on the go.

ACTPrinter serves a printer for "virtual paper" stored on iPhone or iPod Touch. Documents finally become mobile. Electronic tickets attain ultimate convenience. Bar codes may be scanned right off the display of your iPhone or iPod Touch.
