

## Mac Developers Team up for VT Memorial Fund - Charity Sale

Published on 04/27/07

On May 2nd, 2007, several independent Mac software developers will donate the proceeds of their sales to the Virginia Tech Memorial fund. To contribute to this great cause, go to one (or several) of the participating sites and purchase their software. The participating developers and their products are listed at [virginia-tech-memorial-fund](http://virginia-tech-memorial-fund.com).

April 16, 2007, will be remembered as one of the darkest days in the history of the Virginia Tech community and the world beyond. To remember and honor the victims of those tragic events, the university has established the Hokie Spirit Memorial Fund to aid in the the healing process.

The fund will be used to cover expenses including but not limited to:

- \* Assistance to victims and their families
- \* Grief counseling
- \* Memorials
- \* Communications expenses
- \* Comfort expenses - Virginia Tech Memorial Fund site

On May 2nd, 2007, several independent Mac software developers will donate the proceeds of their sales to the Virginia Tech Memorial fund.

To contribute to this great cause, go to one (or several) of the participating sites and purchase their software. The participating developers and their products are listed at: <http://www.leefalin.com/outreach/virginia-tech-memorial-fund/>

The money you pay will be contributed to the fund and you'll have not only the peace of mind that comes from contributing to a great cause, but also a piece of software that comes from a great company.
