

Black Friday Deals at DEVONtechnologies

Published on 11/27/08

DEVONtechnologies, LLC offers a discount of 25 percent on all its software products including upgrades on Black Friday, November 28, 2008. Following an old tradition in the USA, DEVONtechnologies offers DEVONthink, DEVONagent, DEVONnote, and the Infoworker's bundles with 25 percent discount on this year's Black Friday. This year this also includes all upgrades from the Personal to the Pro or Pro Office editions of DEVONthink or from DEVONagent 1.x to 2.x.

Coeur d'Alene (Idaho, USA), DEVONtechnologies, LLC offers a discount of 25 percent on all its software products including upgrades on Black Friday, November 28, 2008.

Following an old tradition in the USA, DEVONtechnologies offers DEVONthink, DEVONagent, DEVONnote, and the Infoworker's bundles (consisting of DEVONthink Pro or Pro Office and DEVONagent) with 25 percent discount on this year's Black Friday. This year this also includes all upgrades, e.g., from the Personal to the Pro or Pro Office editions of DEVONthink or from DEVONagent 1.x to 2.x.

E
'thank you'. And we want to thank all our faithful users for their long-standing support with good deals and the best software for a fair price."

More information about the deal can be found on the DEVONtechnologies website.

DEVONtechnologies LLC, founded in 2002, incorporated in 2004 and headquartered in Coeur d'Alene, Idaho, USA, researches in the field of semantic and associative data analysis and synthesis, and develops key applications based on the DEVONtechnology. Named after the Devonian Period, the DEVONtechnology marks the departure into a new age of data processing. The main focus of all activities is clearly on using the robust, flexible and versatile architecture intelligently to create rock-solid applications for a variety of purposes, including but not limited to databases, intelligent agents, data-mining, information retrieval and human-computer-interfaces.
