Neptune Beach, Florida - Tropical Software today is thrilled to announce their award-winning TopXNotes for Mac is on sale for 25% Off, and 2Remember and Kitchen Timer are also discounted. Also, during this period, TopXNotes touch is free. TopXNotes for Mac is an award-winning full-featured personal note manager. Tropical Software, Inc. offers these discounts through Sunday, January 1, 2012.

Get Organized With TopXNotes on Mac and Apple touch device. Unless you are full time manger you don't need a note or task manager that takes more time to learn than its intended purpose. You need a simple, easy to learn, easy to use personal note and task manager, like TopXNotes. TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes with TopXNotes. You can also encrypt sensitive information to protect it and create iPod notes with TopXNotes.

TopXNotes was awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews, by Macworld Australia, and recently by Macworld UK. TopXNotes was rated "9 of 10" by Macsimum News (now part of MacTech), and highly rated by the Macintosh Guild and Mac360.

Macworld praised the TopXNotes "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as for its "killer" QuickNotes feature.

Sue Beal, president of the Upper Keys (Florida) Macintosh Users Group calls TopXNotes "Inexpensive, unobtrusive, and just plain handy."

Ron Mc Elfresh, of Mac360 stated: "I'm a notes freak. I have notes on everything. From to-do items to code snippets to tasks and projects to article ideas. Here's an understated, unloved, deceptively powerful notes app worthy of some Mac love...it's loaded with user features that set it apart from other note taking apps. TopXNotes is deceptively powerful and flexible, probably because the interface is immediately familiar."

### Minimum TopXNotes Requirements:

- \* Mac OS X Version 10.4 Tiger or higher
- \* Universal Binary for PowerPC and Intel
- \* G4 Processor, 1GHz or faster
- \* 38.8 MB Hard Drive space

### Pricing and Availability:

The TopXNotes is available for a discount of 25 percent on TopXNotes starting immediately through through Sunday, January 1, 2012. And don't forget 2Remember, our little reminder program that slides off the screen edge when not needed and Kitchen Timer that you can use to time anything. Both are also discounted in the Apple store. The sale now includes discounts on 2Remember and Kitchen Timer through Sunday, January 1, 2012.
