

Incredibly addictive action puzzle game Tweens updated to version 1.2

Published on 01/13/12

Kokakiki today announces Tweens and Tweens HD 1.2, an update to their popular gaming title for iPhone, iPod touch and iPad. Tweens is a puzzle game with non-stop action, which is rarely seen in this genre. Although the game goal is simple it can become serious task. Connect pairs of color matching pigs and clearing all the pigs from the screen before time runs out. Colorful and pleasant cartoon graphics, cheerful music and frenetic sounds are just the first layer of the game.

Belgrade, Serbia - Kokakiki today is thrilled to announce the release and immediate availability of Tweens and Tweens HD 1.2, an update to their popular gaming title for iPhone, iPod touch and iPad. Both versions have received excellent reviews, not just from players, but from journalists too. Tweens is a puzzle game with non-stop action, which is rarely seen in this genre. Although the game goal is simple - connect pairs of color matching pigs and clearing all the pigs from the screen before time runs out - it can become serious task.

Carefully following the players suggestions, Kokakiki has released the second update of Tweens, up to version 1.2, with minor changes, to make players feel more comfortable and satisfied during the game, as a token of respect for their loyalty. Colorful and pleasant cartoon graphics, cheerful music and frenetic sounds are just the first layer of the game which will improve your concentration, speed up your reflexes and sharpen your eyesight. Other layer is Endless mode as award after successful completed 75 levels.

Following quotes are just a selected few from plenty for the game which takes you deep into prolonged periods of laughter, fun and joy!

"...annihilating its stages as quickly as possible is empowering to a degree not too often felt in puzzle games. Anyone looking for a more caffeinated brain teaser should check it out." - 148Apps

"Fiendishly addictive, simple and yet frenetic, Tweens HD is a good way to burn up any spare time you have going to waste. A solid and effective puzzle game for those that like playing fast and furious. Well done!" - Bytten

"It's fun and super addictive and will certainly give your fingers a great workout as it's a super fast game." - iPhoneGamerUK

"As a package, Tweens is superb - a well-polished game that is set to eclipse some of this year's hottest puzzle games. Don't be surprised if Tweens is the iOS titan of 2012." - Bits 'n' Bytes Gaming

Pricing and Availability:

Tweens 1.2 can be downloaded from the App Store in the Games category for \$0.99 (USD) and Tweens HD version for \$1.99.
