

## Supportware releases My Football Pro HD for iPad

Published on 01/17/12

Supportware today announces My Football Pro HD 1.0.1, their new football app for Apple's revolutionary iPad device. My Football Pro HD provides an incredible amount of data from over 800 leagues from all over the world. Follow your favourite teams as they play live matches, with directly updated information about scored goals, penalties, cards and substitutes. With new features and an upgraded look, this app is definitely a great addition to any football fans app collection.

Den Bosch, Netherlands - Supportware, developer of popular apps, today is pleased to announce the release and immediate availability of My Football Pro HD 1.0.1, their new football app for Apple's revolutionary iPad device. With new features and an upgraded look, this app is definitely a great addition to any football fans app collection. Within days from the release, My Football Pro HD has claimed the top spot as bestselling iPad sports app in many countries.

Providing an incredible amount of data from over 800 leagues from all over the world (Mens & Womens leagues), My Football Pro is without a doubt the most extensive football app available in the App Store. Follow your favourite teams as they play live matches, with directly updated information about scored goals, penalties, cards and substitutes. Now even more clearly available on the big screen. With free PUSH messages.
