

MacUpdate Holiday Bundle Grows with 2 Days Left to Buy

Published on 12/17/08

MacUpdate's Holiday Bundle, a collection of awarding-winning Mac applications available at nearly 90% off, has added a bonus app to the mix with 48 hours left in the promotion. Pangea Arcade, a collection of three updated classic arcade games, is available to the first 20,000 buyers of the bundle. This additional app brings the value of the MacUpdate bundle up to more than \$465, but through the end of December 18 (EST), Mac users can take home the bundle for just \$49.99.

Traverse City, Michigan - MacUpdate's Holiday Bundle, a collection of awarding-winning Mac applications available at nearly 90% off, has added a bonus app to the mix with 48 hours left in the promotion. Pangea Arcade, a collection of three updated classic arcade games, is available to the first 20,000 buyers of the bundle. This additional app brings the value of the MacUpdate bundle up to more than \$465, but through the end of December 18 (EST), Mac users can take home the bundle for just \$49.99.

More than 17,000 bundles have already been purchased by Mac users around the world, making this MacUpdate's most popular bundle to date. A gifting option, newly launched for this bundle, also means that numerous Mac users will be receiving the gift of the bundle from friends or family in the coming days.

The MacUpdate Holiday Bundle is available for \$49.99.

The other 10 apps included in the bundle include:

* Drive Genius 2 (\$99): Currently the highest-rated disk utility on the market and used by Mac Geniuses at Apple Stores, Drive Genius diagnoses and repairs problems with your hard drive, optimizes your system, and much more. Buyers will receive a link to download a bootable DVD image of the software to burn, which can be used to boot and fix any Mac that can run Mac OS X 10.5, including Apple's newest laptops.
