S. Hackensack, New Jersey - IvySkin(R), an award-winning manufacturer of accessories for mobile devices, audio, power and laptop accessories, today introduces innovative MacBook and iPad 3 sleeves. Crafted from high-quality and on-trend materials, Crackled's innovative laptop and iPad 3 sleeve designs protect iPad 3 and MacBook Pro devices at all times without sacrificing style.

Supple Crackled leather gathered into softly pleated waves is accented with ultra plush interior and delicate hardware. This case is designed for the new iPad 3 and MacBook Pro

Modeled after a classic saddle bag but with all the fine details of a quality leather case. Beautifully hand crafted in Crackled leather style, with ultra plush interior to protect and safe keep the iPad in case of a drop. Hand made in our gently distressed crackled leather like tanned exclusively for IvySkin. Each case is carefully antiqued and made to fit the new iPad.

Crackled Sleeve: Blending fashion and function, IvySkin's iPad 3 and Macbook Sleeve brings a new look to the iPad 3 collection. Comprised of high-quality Crackled Leather mixed with a super plush shock absorbent inner layer, the Crackled case defends against water and scratches.

The complete Crackled Collection by IvySkin is available immediately and a selection of the collection will be available at select premium outlets in the coming weeks.
