

The Tiny Bang Story for iPad is here

Published on 02/09/12

Colibri Games, independent video game developer, notice that our first and awesome game The Tiny Bang Story HD now available for iPad, a fantastic puzzle adventure set in a beautiful hand-drawn world. The Tiny Bang Story, developed by Colibri Games, is set on the fictitious world of the Tiny Planet. When an asteroid hit the planet, its fragile world broke into pieces. Players will now have to recover its lost beauty and help the population of the Tiny Planet.

Kaliningrad, Russian Federation - Colibri Games, independent video game developer, notice that our first and awesome game The Tiny Bang Story HD now available for iPad, a fantastic puzzle adventure set in a beautiful hand-drawn world.

The Tiny Bang Story, developed by Colibri Games, is set on the fictitious world of the Tiny Planet. When an asteroid hit the planet, its fragile world broke into pieces. Players will now have to recover its lost beauty and help the population of the Tiny Planet. Along their way through five chapters, they will solve numerous puzzles and fix imaginative machines in a classic point & click environment.
