

## **ABBYY Expands Lingvo for iOS with Collins Spanish Dictionary**

Published on 02/16/12

ABBYY today announced that it has expanded the content available for purchase and use in ABBYY Lingvo Dictionaries for iOS with Collins Spanish Dictionary - Complete and Unabridged, a premium quality dictionary from one of the world's largest English language publishers. Now updated to include thousands of the newest words, the world's leading large Spanish dictionary remains the ideal dictionary for advanced learners and professionals using Spanish.

Moscow, Russia - ABBYY(R), a leading provider of document recognition, document capture, and linguistic technologies and services, today is pleased to announce that it has expanded the content available for purchase and use in ABBYY Lingvo Dictionaries for iOS with Collins Spanish Dictionary - Complete and Unabridged, a premium quality dictionary from one of the world's largest English-language publishers.

Now updated to include thousands of the newest words, the world's leading large Spanish dictionary remains the ideal dictionary for advanced learners and professionals using Spanish. Based on evidence from a multimillion-word corpus, with extensive notes on Spanish language, grammar and culture and a wealth of idioms and examples, it is the largest Spanish dictionary on the market.

ABBYY Lingvo Dictionaries for iOS is a comprehensive dictionary and translation application for Apple(R) mobile devices. Empowered with the breakthrough OCR (Optical Character Recognition) technology, it delivers the easiest way to translate unfamiliar words by photographing them with the iPhone's camera. With the expanded content available for purchase and download, ABBYY Lingvo Dictionaries for iOS provides access to a total of 280 general translation, specialized and explanatory dictionaries for a wide variety of languages.

### About Collins Language:

Collins has been at the forefront of dictionary publishing for nearly two hundred years and is one of the world's most respected and market leading dictionary and language learning publishers. Collins uses the most up-to-date technology to monitor language usage around the world so that our dictionaries reflect the way language is spoken today. With all its heritage and expertise Collins prides itself on delivering up-to-date, accessible and innovative language products to meet the needs of all users from students to professionals in print, online or via mobile; it is for these reasons Collins dictionary products remain a top choice for generations of users.
