

The Dream Apps Announces Affiliate Program

Published on 01/05/09

The Dream Apps have today announced their much awaited affiliate program that allows website or blog owners to make money by advertising various pieces of software. The affiliate marketing links and banners are available in Text, JavaScript and Image formats to support the large range of websites and web hosts on the internet. The affiliate system also boasts a library of advertisements in Text, Image and JavaScript formats ready to copy and paste straight onto your website.

Corby, United Kingdom - The Dream Apps have today announced their much awaited affiliate program that allows website or blog owners to make money by advertising various pieces of software. Affiliates can earn \$1.50 (USD) per sale made through advertisements that can be placed on their website. The affiliate marketing links and banners are available in Text, JavaScript and Image formats to support the large range of websites and web hosts on the internet.

The Dream Apps Affiliate Program is available free of charge, all of the affiliate payments will be paid out via PayPal at the end of each calendar month. Along with the affiliate program, The Dream Apps will also be launching the Affiliate Center, an online application, on which registered affiliates can sign in to check Ad Impressions, Clicks, Sales and Money Made. The affiliate system also boasts a library of advertisements in Text, Image and JavaScript formats ready to copy and paste straight onto your website.

Affiliate Program Features:

- * Ad Impression Tracking
- * Click tracking
- * Copy and paste, pre-made advertisements
- * Social Network Ready links.
- * Sale tracking

Anyone can register to become a The Dream Apps affiliate, even if you don't purchase any of our applications. The advertisements in the affiliate center are not just for websites, we have versions of the ads that work on social networking sites and in email signatures, as well as a large variety of ads for websites and blogs.
