Neptune Beach, FL - Tropical Software today announced a TopXNotes "Celebrate Macworld week" promotion. Tropical Software, Inc. presentations to Mac User Groups have been extremely popular all across the country for the last 3 years. Try easy to learn and easy to use TopXNotes to see why!

TopXNotes is an award-winning full-featured personal note manager. Tropical Software, Inc. offers a discount of 25 percent on TopXNotes starting immediately through Macworld week (ends January 9, 2009).

What is TopXNotes?

Unless you are full time manger you don't need a note or task manager that takes more time to learn than its intended purpose. You need a simple, easy to learn, easy to use personal note and task manager, like TopXNotes.

With versatile, easy to learn and easy to use TopXNotes you can:

- * Create notes easily
- * Access your key notes instantly
- * View notes in multiple ways
- * Organize your important information
- * Secure critical information

TopXNotes has been awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews and 9 of 10 by Macsimum News. TopXNotes was favored by the Macworld reviewer for its "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as for its exclusive QuickNotes feature.

TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes with TopXNotes. You can also encrypt sensitive information to protect it and create iPod notes with TopXNotes.

Get Organized With TopXNotes and Save Today!
