

## Updated 2009 "Walt Disney World Notescast" for iPod Released

Published on 01/09/09

TimeStream Software, the leading developer of Notescast(R) titles for the iPod, announced today the release of its newly updated 2009 "Walt Disney World Notescast" for the iPod Classic, iPod 5th Generation and iPod nanos. A complete guide to all of Walt Disney Resort in nearly 200 interactive pages and 19 different categories.

Portland, OR - TimeStream Software, the leading developer of Notescast(R) titles for the iPod, announced today the release of its newly updated 2009 "Walt Disney World Notescast" for the iPod Classic, iPod 5th Generation and iPod nanos. The 2009 Walt Disney World Notescast may be downloaded from TimeStream Software online for only \$1.99.

Developed following Disney's "Guidelines for Guidebook Media", the new 2009 Walt Disney World Notescast installs to the interactive iPod Notes feature found on nearly every iPod Classic, iPod 5th Generation and iPod nano and presents a comprehensive guide to all of Walt Disney World(R) Resort in nearly 200 interactive pages of copy in 19 different categories, complete with links to related photos all on your iPod.

"We've added even more great content to this Notescast title, and now being newly updated for 2009, it's like having all of Walt Disney World Resort right in the palm of your hand wherever you go.", said Mike Westby of TimeStream Software. "iPod owners are finding it to be a complete vacation planning guide, as well as a valuable and fun tool while in the parks themselves."

Easily downloaded and installed to your iPod, the newly updated 2009 Walt Disney World Notescast includes nearly 200 pages of content covering Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R) and Disney's Hollywood Studios(TM) ...
