

## Word Ninja Deluxe - This Ain't Yo Mamma's Word Game

Published on 03/19/12

Snow Day Apps today introduces Word Ninja Deluxe 1.0, its new gaming title for iPhone, iPad and iPod touch devices. In Word Ninja Deluxe you'll find familiar game elements are combined to form a fresh new word game experience for your iPhone or iPod touch. Use ninja-like speed to slash letters as they are tossed on to the screen. Create words to score points and add time to the clock. Each letter has its own point value and the longer the word the greater the multiplier.

Bloomington, Indiana - Snow Day Apps today is pleased to announce Word Ninja Deluxe 1.0, its new gaming title for iPhone, iPad and iPod touch devices. Do you have what it takes to be a Word Ninja, Young Grasshoppers? In Word Ninja Deluxe you'll find familiar game elements are combined to form a fresh new word game experience for your iPhone or iPod touch. Use ninja-like speed to slash letters as they are tossed on to the screen. Create words to score points and add time to the clock. Each letter has its own point value (like in other familiar word games) and the longer the word the greater the multiplier.

Visit the in-game store to buy power-ups using in-game currency. You'll find 2x and 3x score multipliers, a free letter of your choice power-up, slow time, and 'mo time power-ups. Use these power-ups to earn Kiip achievements. Kiip achievements give you Real Life Rewards!
