

drahtwerk releases Yay! Zombies 1.0 for iOS: Casual Slice and Shoot Game

Published on 03/27/12

drahtwerk today introduces Yay! Zombies 1.0, a casual slice and shoot game for iPhone and iPod touch devices. Slice and shoot ragdoll zombies and cut off all their limbs for extra points in this incredibly fun game. Hit a running hand to get one of the many power ups and more. Dissect all limbs to get a humiliation bonus or earn combos by slicing multiple zombies at once. True to life physics and beautifully polished graphics make Yay! Zombies a standout game in the App Store.

Karlsruhe, BW/Germany - drahtwerk today is pleased to announce the release and immediate availability of Yay! Zombies 1.0, a casual slice and shoot game for the Apple iPhone and iPod touch developed and published by drahtwerk. Slice and shoot ragdoll zombies and cut off all their limbs for extra points in this incredibly fun game.

Hit a running hand to get one of the many power ups like "Freeze". But avoid the bombs, they'll end the game in "Classic Mode" or you'll lose five seconds in "Blitz Mode". Dissect all limbs to get a humiliation bonus or earn combos by slicing multiple zombies at once! True to life physics and beautifully polished graphics make Yay! Zombies a standout game in the App Store.
