

Brain Battle Show Deluxe released for iOS - The intelligence TV Show

Published on 03/31/12

Barcelona-based Tiktak Games today introduces Brain Battle Show Deluxe 1.0, their fun-to-play gaming title for iOS devices. Brain Battle Show Deluxe is a TV Show where the contestants play against 3 other players to be the more intelligence of the World. In Brain Battle Show Deluxe you can play in Single Player, or Multiplayer with your friends or all the people in the world. Brain Battle Show Deluxe offers 30 available games in Calculus, Perception, Memory and Logic.

Barcelona, Spain - Tiktak Games today is pleased to announce their new game Brain Battle Show Deluxe for iOS, the TV Show game raising eyebrows in the App Store. Brain Battle Show Deluxe aims to be the best TV Show Game on iPhone and iPad, where you can play against 3 of your friends or unknown people of the world.

In Brain Battle Show Deluxe, you can compete against the computer or against your friends in 30 intelligence games of the 4 different categories of intelligence: Maths, Perception, Memory and Logic.
