

Keynote Zone releases Spiral Book Keynote Theme

Published on 04/02/12

Keynote Zone has released a Spiral Book Keynote theme. This professionally designed theme infuses your presentation with the beauty of modern rationalism and leaves a hint of widely adorable minimalist design. The theme includes 45 layouts, custom designed charts and tables. Bright and plastic slides with skillfully designed elements ensure a friendly background for statements, charts or other material you need. Available in both Standard and HD versions.

Vilnius, Lithuania - Keynote Zone, the developer of professionally designed ready-to-use themes for Apple's Keynote application, is pleased to announce a Spiral Book Keynote theme. This professionally designed theme infuses your presentation with the beauty of modern rationalism and leaves a hint of widely adorable minimalist design. Bright and plastic slides with skillfully designed elements ensure a friendly background for statements, charts or other material you need to expose.

The theme includes 45 layouts, custom designed charts and tables. If you are seeking for more, build and style your own layouts with the help of additional graphic elements included in the "Extras" slides. 8 color schemes for larger inspiration are also included in the "Extras" slide. Spiral Book standard version theme comes in 2 sizes (800x600 & 1024x768) and is available for \$16 at Keynote Zone site. Spiral Book HD version theme comes in 5 sizes (800x600, 1024x768, 1280x720, 1680x1050, 1920x1080) and is available for \$20.

Ten more Keynote themes are now available for sale in standard or HD formats at Keynote Zone online:

Technology theme

This professionally designed theme was created especially for those who need to complement any scientific or technology based content of their presentations and are keen to move along with innovations. The theme includes 34 layouts, custom designed charts and tables.

Framework theme:

This is a consistently designed theme with a very clear and functional frame structure, which helps you to arrange all your information by placing each piece into its framed space. The theme includes 34 layouts, custom designed charts and tables.

Desktop theme:

This general-purpose desktop theme provides a strong association with your desktop and creates a kind of working atmosphere in the entire presentation. The theme includes 30 layouts, custom designed charts and tables.

CorkBoard theme:

The lively and simple CorkBoard theme gives you a chance to arrange your presentation as if you are simply placing different notes and pictures on a real board. The theme includes 33 layouts, custom designed charts and tables.

Comics theme:

The Comics theme's layout based on hand-drawn picture frames and word balloon shapes creates a well recognizable comics style. The theme includes 22 layouts, custom designed charts and tables. Comics standard version theme is available as free download at Keynote Zone site.

Metal theme:

prMac: Publish Once, Broadcast the World :: <http://prmac.com>

A unique technology based theme with custom designed transitions. Ideal for presentations that require a clean contemporary look. The theme includes 45 layouts, custom designed charts and tables. Metal HD version theme includes unique custom designed opening and closing metal door transitions that you can place on your slides as openers or closers.

Rounded theme:

Eye-friendly, color oriented theme, based on rounded forms that create a soft and cozy atmosphere. The theme includes 44 layouts, custom designed charts and tables. Rounded HD version theme includes three complete themes, each in its own complete color palette.

Corporate theme:

Adaptable, general-purpose theme with a clear business-casual aesthetic that will match your professional content. The theme includes 40 layouts, custom designed charts and tables.

R&W theme:

Elegant and luxurious Keynote theme that combines modern and classical looks and represents aesthetic and passion for excellence. The theme includes 40 layouts, custom designed charts and tables.

Paper theme:

Paper theme suggests the traditionally simple and clear design that brings the paper back into the digital age. The theme includes 40 layouts, custom designed charts and tables.

Each theme comes in Standard and HD version.

All ten HD themes are now available for special price in the Keynote Zone Collection 11.

System Requirements:

* Mac OS X version 10.4.10 or later

* iWork '08 (Keynote 4) or iWork '09 (Keynote 5)

Pricing and Availability:

The Keynote themes are available for download at Keynote Zone site and are priced \$16 (USD) for standard version and \$20 (USD) for HD version. The Keynote Zone Collection 11 is available for download for \$69.99 (USD).
