

App Launch of Chick-Tac-Toe for iPhone, a great spin on a classic game

Published on 04/03/12

Scary Robot Productions today is proud to announce the release of their second iPhone game, Chick-Tac-Toe, in which players square off against a humorously animated chicken in a family friendly game of tic-tac-toe. Battle back and forth in a best of five matchup while laughing at the antics of the chicken that reacts in unexpected ways to all of the wins and losses. Three difficulty levels help to ensure a challenge for all ages and skill levels.

Las Vegas, Nevada - Scary Robot Productions is proud to announce the release of their second iPhone game, Chick-Tac-Toe. The crew at Scary Robot says "we're very proud of this new release and we believe people are really going to enjoy it. They'll especially get a kick out of all of the humorous animation in the game which helps add a unique spin to the classic game of tic-tac-toe that we all know and love."

Three distinct difficulty levels ensure that everyone can have a great time. Easy level is a perfect selection for younger players or for those that are new to the game. The chicken misses the occasional winning opportunity and sometimes overlooks your opportunities as well. On the Normal level players can get a traditional challenge. There will be lots of challenging matches until someone makes a mistake. And on the Hard difficulty setting, players will face a really tough challenge. The chicken will be at its best and wins will be very hard to come by.
