

## SkypeCap 1.0 for Mac OS X released - Record Skype Audio Conversation

Published on 01/20/09

SkypeCap is proud to announce SkypeCap for Mac 1.0, their Skype audio session recorder for Mac OS X. With a focus on ease-of-use, SkypeCap for Mac allows record audio conversation from Skype to audio mp4 file. It fully integrates the process into the Mac experience by allowing human interaction during recording.

Los Angeles, USA - SkypeCap is proud to announce SkypeCap for Mac 1.0, their Skype audio session recorder for Mac OS X. With a focus on ease-of-use, SkypeCap for Mac allows record audio conversation from Skype to audio mp4 file. It fully integrates the process into the Mac experience by allowing human interaction during session recording.

SkypeCap for Mac save your Skype sessions so that you could hear them again later or share them with someone else. Now you can with SkypeCap! SkypeCap for Mac is the complete resource for capturing and recording Skype audio sessions in real time.

Use SkypeCap to record: Skype Casts, teleconference calls, meetings, training sessions, announcements, interviews, group brainstorming sessions, telephone and cellular phone calls and more.

The possibilities are endless! You control when recording begins and ends, as well as level of quality at which the recordings should be captured. SkypeCap lets you know when it recognizes that Skype audio sessions are occurring so that you can record them. SkypeCap can even record the audio for you automatically! Only you will know that the audio are being recorded.

Feature highlights include:

- \* Record Skype audio conversation
- \* Record Skype group brainstorming sessions
- \* Record telephone and cellular phone calls via Skype
- \* Detect session automatically and save it!
- \* Recognizes Skype audio sessions
- \* SkypeCap has a transparent user-friendly interface and is very simple in use.

Minimum Requirements:

- \* Mac OS X Version 10.4 Tiger or 10.5 Leopard
- \* Universal Binary for PowerPC and Intel
- \* 10 MB Hard Drive space

Pricing and Availability:

SkypeCap for Mac is available for only \$39.95 (USD) for a Single License, and may be downloaded directly from the SkypeCap website.
