Little Red Riding Hood, is a European fairy tale about a young girl and a Big Bad Wolf. The story has been changed considerably in its history and subject to numerous modern adaptations and readings.

The story revolves around a girl called Little Red Riding Hood, after the red hooded cape she wears. The girl walks through the woods to deliver food to her sick grandmother. A wolf wants to eat the girl but is afraid to do so in public. He approaches Little Red Riding Hood and she naively tells him where she is going. He suggests the girl pick some flowers, which she does. In the meantime, he goes to the grandmother's house and gains entry by pretending to be the girl.
