

## **Prehistoric Booth - Now Free - Wanna become a caveman? Now you can**

Published on 04/22/12

Virginia based SSA Mobile LLC announces Prehistoric Booth 1.1 Free for iPhone and iPod touch. Prehistoric Booth will show you what would you be if you lived 200,000 years ago. Imagine if you could see how your stone-age ancestors might have looked like: Prehistoric Booth's unique morphing technique will give you a sneak peek. The app magically transforms any face photo into a real prehistoric man or woman. You can also try it on your friends and colleagues and morph them into a wild tribe.

Leesburg, Virginia - SSA Mobile LLC proudly announces Prehistoric Booth 1.1 Free for iPhone and iPod touch. Prehistoric Booth will show you what would you be if you lived 200,000 years ago! Imagine you could see how your stone-age ancestors might have looked like - our unique morphing technique will give you a sneak peek.

You can also try it on your friends and colleagues and morph them into a wild tribe! The app magically transforms any face photo into a real prehistoric man or woman. Travel back in time to your wild side and have fun with Prehistoric Booth.

"Prehistoric Booth is great", says Serge Aliseenko, PR of SSA Mobile LLC. "You'll be amazed how your face changes after the morph. We've incorporated advanced face recognition and our unique morphing technique to give you amazing prehistoric photos. Now get a collection of your stone-age friends!"

### App features:

- \* Use an existing photo from Camera Roll or take a new one inside the app
- \* Advanced built-in face recognition crops the photo and transforms it into a prehistoric version
- \* Unique morphing technique gives amazingly realistic face traits
- \* Shake your iPhone to see normal and transformed versions
- \* Save the results to Photo Library
- \* Share your photos directly via MMS, email, Twitter or Facebook

Prehistoric Booth should be considered for entertainment purposes only. The application is most effective for people aged 15-65

### Supported Languages:

- \* US English, Chinese, French, German, Italian, Japanese, Russian and Spanish
