

## **Eerie Studios introduce Junk Punk 1.0 for iOS - Fast-Paced Action Game**

Published on 04/27/12

Eerie Studios is pleased to announce Junk Punk 1.0, has been released and is now available on the App Store for all iOS devices. Junk Punk is a fast-paced action game about free running, fast reflexes and competition. As the player, your ultimate goal is to get as far as you can, without falling down, in which case your only option is to try again. Compete against yourself, your friends or the entire world with Game Center-integration.

Kokkola, Finland - Eerie Studios is pleased to announce that our first game, Junk Punk 1.0, has been officially released and is now available on the Apple App Store for all iOS devices. Junk Punk is a universal game, so when it is purchased, it will instantly be available to all iOS devices without any extra purchases.

Junk Punk is a fast-paced action game about free running, fast reflexes and competition. As the player, your ultimate goal is to get as far as you can, without falling down, in which case your only option is to try again. The game was entirely developed by Pauli Jokela (CEO of Eerie Studios and Didstopia), excluding the music, which was done by John Cape (Juha Niemi).
