Porto, Portugal - AppGeneration is proud to announce that Strategy War is now Free for a limited time! Brought to you by Apps Promo, the best Promotion App in the App Store. Strategy War is the latest AppGeneration battle-focused board game for iPhone, iPad and iPod touch. Build your army, dominate the enemy and take over the world, one country at a time. Strategy War brings world domination to a whole different level with intricate details, interactive turn by turn game play and advanced A.I. to test you in ways users have never experienced before. See how you stack up against the top ranked users through Game Center.

With over 50 levels to conquer in the campaign mode, Strategy War is a great game for anyone looking to be challenged in new and exciting ways. Build your army with Soldiers, Knights and Kings to conquer enemy land while using Houses and Towers to defend from incoming attacks!

Want to challenge your friends and see who will stand alone at the top? With two different modes available for multi-player, battling your friends is easier than ever before. The Hot Seat mode allows you and up to 3 of your friends to play all on the same iOS device and with Game Center capabilities, the second multi-player setting, Online Mode, allows you to challenge your friends or random players from all over the world instantly. See how you stack up against the top ranked users through Game Center.

Features Include:

- * Over 50 levels for Single Campaign mode
- * Easy and Hard difficulty available
- * 3 different armies to compete against in Single Campaign
- * Play with up to 4 players in the Hot Seat or Online Mode
- * Sound effects and music enabled

Strategy War is a board game where you command your army like a game of chess and risk it all to conquer the world. Will you surrender to the constant attacks or take over the world with Strategy War? Strategy War - A board game where you command your army like a game of chess and risk it all to conquer the world.
