

Letter salad with colorful dressing - new Wordsearch app by mobivention

Published on 05/29/12

mobivention introduces Wacky WordSearch 1.0, its new puzzle app for iPhone, iPad and iPod touch devices. Offers lots of features and cool designs, in Wacky WordSearch players have to find predefined words from the letter salad. Those words can easily be marked and gathered by sliding over the display. Different game board designs, board sizes, two game modes and a huge word database make Wacky WordSearch a perfect entertainment for young and old.

Cologne, Germany - mobivention sends users of iPhone, iPod or iPad with Wacky WordSearch into a jungle full of letters. The puzzle app comes with several designs and board sizes as a lite version for free. The full version can be purchased for Euro 1.59 in Apple's AppStore.

The app is based on a well-known game principle. Players have to find predefined words from the letter salad. Those words can easily be marked and gathered by sliding over the display. Different game board designs, board sizes and two game modes make Wacky WordSearch a perfect entertainment for young and old. Due to different board sizes even kids can play this game and learn words with this app.

Features of the free version are:

- * Huge word database
- * Supported languages: EN, DE, ES, FR, RU, IT
- * 2 game board designs
- * Game boards in 6x6, 8x8 and 10x10
- * Classic and timed mode
- * Sounds and animations

Device Requirements:

- * iPhone 3GS, iPhone 4, iPhone 4S, 3/4G iPod touch and iPad
- * Requires iOS 4.3 or later
- * 29.7 MB

Pricing and Availability:

Wacky WordSearch 1.0 is Free and available worldwide exclusively through the App Store in the Games category. It is also offered as a premium version for Euro 1.59 in Apple's AppStore. The premium version comes with additional features No ads, 3 additional game board designs. Additional game board sizes are available for iPad: 12x12, 15x15. It already ranks #25 of free apps in the German and Austrian AppStore.
