

Stoned 3D - Free Game on iOS

Published on 06/01/12

3Dgrafix is from now on giving away the iOS game "Stoned 3D" for free. Stoned 3D is a fun casual game with amazing 3D graphics and addictive gameplay. Your task is to catch as many falling blocks as possible and to hit the appearing dinosaurs for a good bunch of extra points. You can also upload your scores to OpenFeint to see your position in a worldwide ranking. With its fast and quick gameplay, it is the ideal game for your next coffee break.

Cologne, Germany - 3Dgrafix is pleased to announce that it is from now on giving away their iOS game "Stoned 3D" game for free. "Stoned 3D" is a simple shape matching game that you'll need lightning fast fingers for. Set in a stoneage environment, four Stone Age Man drop stones down on your board and your task is to catch them with the correct "hole"; hitting the appearing dinosaurs will bring a good bunch of extra points.

Feature Highlights:

- * Fast-paced gameplay
- * Excellent rendered HD graphics
- * Quick games
- * Online highscores via OpenFeint
- * Highly addictive

How to play:

Move the gameboard with your finger to catch the matching blocks. For some extra points try to hit the appearing dinosaurs: The faster the game gets the more points you'll receive. But keep in mind that you only have three lives to catch as many blocks as possible... Missing one means losing a life, so better stay focused and concentrated! When the game is over you can upload your score and see in a worldwide ranking how well you performed.

Device Requirements:

- * Compatible iPhone, iPod touch
- * iOS 3.0 or later
- * 18.3 MB

Pricing and Availability:

Stoned 3D 1.1.3 is free and available worldwide exclusively through the App Store in the Games category.
