

Cat Games 1.5 for iPad Releases to the App Store

Published on 06/02/12

Big Monk Games today is pleased to announce Cat Games version 1.5, a complete overhaul of their original successful product. As one of the original cat games available for iPad, version 1.5 delivers a more polished product with updated visuals and sound as well as a new game for cats to play. Big Monk Games researched colors that are within the cats spectrum of sight as well as did extensive testing stimulating movement. Levels include a mouse, fish, baby chick, spider, laser, and more.

Cohoes, New York - Cat Games version 1.5 releases for iPad. Cat Games is a game for cats and their owners to play on the iPad iOS platform developed by Big Monk Games. As one of the original apps designed for cats available in the App Store, With Cat Games for iPad, Big Monk Games has tested many options for gameplay for cats which includes 9 games for cats with more on the way. Cat Games has received some very good reviews by press such as the Touch Arcade podcast episode 14 "Kitty Korner" pick. Quotes include: "My cat loves the bug one.", "Who needs to buy a dollar string and ball toy?", and "I was super jazzed that my cat liked it and was entertained for a long while." Cat Games now allows owners to interact with their cat in the fish game by swiping the screen to have the fish follow their finger swipe.

Cat Games has a complete overhaul. Version 1.5 delivers a more polished product with updated visuals and sound as well as a new game for cats to play. Levels include a mouse, fish, baby chick, spider, laser, string and ball and much more . Big Monk Games researched colors that are within the cats spectrum of sight as well as did extensive testing stimulating movement. Cat Games will continue to receive periodic updates with more cat and owner interaction and new games for cats to play.

Big Monk Games will be donating \$0.25 for every purchase of "Cat Games" for iPad in the month of June, 2012 to the Mohawk Hudson Humane Society of Albany New York.
