

Hungry? Dim Sum Story is the newest iOS game to satisfy your cravings

Published on 06/18/12

Hungry? Dim Sum Story is the newest iOS game to satisfy your cravings. The game play is designed to delight the palate with multiple mouthwatering arcade games, perfect for your daily commute. Unlock new levels, amuse your bouche with achievements and upgrades by "Flicking", "Tapping", "Kicking", "Spinning" and "Steaming" your Dim Sum to gastronomic glory. Hours of steamy entertainment are assured with this bite-sized package of fun.

Kowloon, Hong Kong S.A.R. Dim Sum Lab Ltd plans to quench your hunger with the release of Dim Sum Story, available today in the iTunes App Store for iPhone and iPod touch. The geeks at Dim Sum Lab wish to whet your gamer appetite with an age-old philosophy: one must "Save the Dim Sum to Save the World". Satisfy your senses with the latest gastro packed action app to steam your screens, "Dim Sum Story".

Dim Sum Story's fast-paced, mouthwatering mini-games are prepared to perfection for the daily commute. Each game tests the players' brainpower and dexterity by way of Dim Sum and then some more. Players can "Flick", "Tap", "Kick", "Spin" and "Steam" their way to different delectable achievements. Master the various games in Dim Sum Story, and earn the Dim Sum Star of Excellence to prove once and for all that the world is your bite-sized portion of pleasure. Are you ready to order?

Features of Dim Sum Story:

- * Story Mode: Interesting and humorous storyline to keep players entertained
- * Restaurants: Earn Dim Sum Star of Excellence to unlock 4 different restaurants
- * Multiple Games: Play games such as Tap-Out, Flick Maniac, Just for Kicks, Hell's Steamer, and Spin n Serve - Unlock and master them all
- * Personalization: Unlock up to 80 elements to personalize your restaurants
- * Quick Play Mode: Play all 5 games open-ended with no time limits
- * Achievements: Through Game Center, unlock 34 different achievements and compare Quick Play Mode high score with your friends

About Dim Sum Story:

Dim Sum Story begins when a young chef has a vision of "M" and his Evil Empire destroying the Salad Sisters and Parma-Ham Brothers. The Chinese Dim Sum is M's next gastronomical target. From the humble beginnings of a street stall (a.k.a "Dai Pai Dong"), players must defend Dim Sum by unlocking new restaurants and mastering various games. The very existence of the culinary world is in your hands! Come join our young chef to "Save the Dim Sum to Save the World".

Device Requirements:

- * iPhone 3GS, iPhone 4, iPhone 4S, 3/4G iPod touch and iPad
- * Requires iOS 4.3 or later
- * 42.6 MB

Pricing and Availability:

Dim Sum Story 1.0 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Games category. For Review Promo Codes contact Peter KY Wong. For more information, please visit Dim Sum Lab online.
