Published on 07/10/12

Mail.Ru Games, developers of the popular Juggernaut MMORPG franchise, announce Juggernaut: Revenge of Sovering 2.1 for iOS an update to their critically acclaimed fantasy RPG game. Donning the protective armour of the legendary Scorpions, players are pitched into Toper Burrow, a strange and mysterious land overrun by maleficent monsters and horrendous villains. Tasked with defeating the encroaching fiends, players can choose the fearsome new Scorpion, Hekate, to defeat the dreaded enemies.

Moscow, Russia - Mail.Ru Games, developers of the popular Juggernaut MMORPG franchise, are rolling through the App Store with a thrilling update to their critically acclaimed fantasy RPG game, Juggernaut: Revenge of Sovering. Once again donning the protective armour of the legendary Scorpions, players are pitched into Toper Burrow, a strange and mysterious land overrun by maleficent monsters and horrendous villains. Tasked with defeating the encroaching fiends, players can choose the fearsome new Scorpion, Hekate, to defeat the dreaded enemies. With the end drawing near, can the Scorpions destroy the hordes of terrifying beasts and save the natives from total annihilation?

Having surpassed the one million download mark since its April release, the latest update of Juggernaut: Revenge of Sovering returns players to the pandemonium of a land gripped by the demonic Sovering. By increasing the level cap to 35, the update redefines chaos and challenges users in a dynamic turn-based epic. New achievements, additional grades within the magic school, and a rousing new mini-game combine to create a game unlike any other title currently available on the App Store.
