

Announcing Cafe International for iOS Launching Soon

Published on 07/13/12

Application Systems announces the upcoming release of the legendary Cafe International for iOS. Board Game of The Year 1989 Germany, with over a million units sold, this is a fun and challenging strategic card game for iPhone and iPad. Using the original caricatures from the board game, players will find that not every guest wants to sit next to the other in Cafe International. Players must keep everyone happy and seat them at the right tables, according to their nationality and gender, to win.

London, United Kingdom - Application Systems is pleased to announce the upcoming release of Cafe International for iOS. This legendary game is back (Board Game of The Year 1989 Germany, over a million units sold), a fun and challenging strategic card game for iPhone and iPad!

Using the excellent fun original caricatures from the board game, you'll find that not every guest wants to sit next to the other in Cafe International. It's up to you to keep everyone happy, seat them at the right tables, according to their nationality and gender to score maximum points.

Every puzzle fan will simply love Cafe International! Although the rules are straightforward and the game is easy to play, it's sure to challenge even the most strategic minds. To be awarded maximum points, you'll need to clear as many tables as possible by really thinking about where to seat your randomly chosen guest cards...

Cafe International is packed with endless fun - it's the perfect way to test your strategic might against friends, family and colleagues!

NOTE: The game has not been released yet. It will be available in the iTunes Store hopefully before the end of July.

Features :

- * Strategically place international guests at tables to earn points
- * Place unsuitable guests in the bar - but watch your score
- * Clear 12 tables before filling the bar to win
- * Beautifully detailed graphics in full retina resolution
