

## Peow! Peow! Studios Releases Ultimate Christmas Trivia App

Published on 07/17/12

The dynamic duo at Peow! Peow! Studios are celebrating Christmas in July with the launch of Ultimate Christmas Trivia 1.0, an iPhone app that is two presents in one. Ultimate Christmas Trivia features an animated countdown-to-Christmas clock and a fun trivia game for both kids and adults alike. The game includes more than 650 age-appropriate multiple choice questions, more than 450 random Christmas facts, more than 50 Christmas jokes for kids, plus fun animation and entertaining characters.

Sherman Oaks, California - Don't let the summer heat fool you! Christmas will be here before you know it. To help shoppers get in the Christmas spirit early, Peow! Peow! Studios' dynamic duo are celebrating Christmas in July with the launch of Ultimate Christmas Trivia, an iPhone app that is two presents in one. Featuring an animated countdown-to-Christmas clock and a fun trivia game for both kids and adults alike, Ultimate Christmas Trivia is available now exclusively in the App Store.

It's Christmas Eve and Santa is in trouble. His reindeer are getting hungry and the only way to keep them flying, and help Santa deliver his presents, is to correctly answer rounds of Christmas trivia questions to win carrots and feed those reindeer. Two of Santa's elves cheer players on for each correct answer and reward them with a random Christmas fact or silly Christmas joke for kids, while a mischievous little boy joyfully blows raspberries at players for incorrect answers.

Designed with two levels of play, Kids and Big Kids, the Ultimate Christmas Trivia game includes more than 650 age-appropriate multiple choice questions encompassing Christmas music, traditions, history, movies, food, television and pop culture, more than 450 random Christmas facts, more than 50 Christmas jokes for kids, plus fun animation and entertaining characters.

"Ultimate Christmas Trivia is a fun and educational app designed for holiday lovers of any age," said Adam Chamberlain, Peow! Peow! Studios partner. "With cool animation, silly jokes, funny sound effects and nearly 500 random Christmas facts, both children and pop culture fanatics will enjoy this must-have, holiday season app."

As an added Christmas bonus, the Ultimate Christmas Trivia app also includes a festive, animated countdown-to-Christmas clock to easily track the number of shopping days left until Christmas day. With the choice of three different Christmas songs, as well as built-in Facebook and Twitter integration, users can share the remaining days with friends and help remind kids that Santa's currently on the lookout to see who makes it on his naughty or nice list!
