

## Turn an iPhone or iPod Touch into a Shoot-Em-Up Gun

Published on 03/02/09

Damabia, in association with RnSK Softronics, today announce Bang!Bang! for iPhone and iPod Touch. Remember when you were a kid and played cops and robbers? Experience the sweet

release you can only get from firing a finely crafted firearm - a firearm so smooth and well-balanced it feels like an extension of your own hand. And save money on ammunition - Bang!Bang! uses no actual bullets.

Paris, France Remember when you were a kid and played cops and robbers? Damabia, in association with RnSK Softronics, let you experience it again in a whole new way with Bang!Bang!. Experience the sweet release you can only get from firing a finely crafted firearm - a firearm so smooth and well-balanced it feels like an extension of your own hand. And save money on ammunition - Bang!Bang! uses no actual bullets.

Jean-Paul Florencio, CEO of Damabia, is ecstatic about these new program. "What better fun can you have than to shoot all your friends, and not hurt them? With Bang!Bang!, you can play cops and robbers, even if you're grown up."
