

## **My Singing Monsters scheduled for August release**

Published on 08/15/12

Big Blue Bubble Inc. announced today that its highly anticipated game, My Singing Monsters, will be released for iOS devices by the end of August. My Singing Monsters is a world-building game where the player collects and breeds adorable monsters. Collect, breed, and listen to your monsters sing. Each island has its own song and is packed full of incredibly cute monsters! Whet your appetite with a little behind-the-scenes footage of the making of the game.

London, (ON) Canada - Big Blue Bubble Inc. announced today that its highly anticipated game, My Singing Monsters, will be released for iOS devices by the end of August! Whet your appetite with a little behind-the-scenes footage of the making of the game or simply browse through the monster list. Collect, breed, and listen to your monsters sing. You have never seen a game like this before!

My Singing Monsters is a world-building game where the player collects and breeds adorable monsters. There's a big difference to this game, however, that sets it far apart from others of the genre; these monsters sing, play, and dance! Each island has its own song and is packed full of incredibly cute monsters! Keep on the lookout for My Singing Monsters and be one of the first to fall in love with this unique game!

### Features:

- \* 30+ monster species to collect, nurture, and love
- \* Amazing art, animation, and audio effects
- \* Lush islands, each with its own theme
- \* Numerous decorations and structures
- \* Create unique landscapes and sound combinations
- \* 3D sound
- \* Built-in social features
- \* Game Center Support
- \* Achievements
- \* More monsters, islands and music coming soon!

Populate an island and watch what happens. Create unique havens by landscaping and arranging your creatures. Name them, feed them, make them happy; each monster is loaded with personality. You'll experience game play and music as never before with this innovative technology!
