

Find in the mirror - for find the difference fans is free on App Store

Published on 08/17/12

Are you a find the difference fan? Find in the mirror is the new find the difference game developed for iPad. Keep your eyes skinned and stay focused, because animals in motion make your search more difficult. Animals in motion, mirror images and time run outs are the elements which make a classical pastime game truly exciting. It is an excellent pastime to challenge your friends, thanks to the local high score system, which allows you to save the score obtained at each level.

Rome, Italy - Available for sale on the App Store from today, Find in the mirror is the new find the difference game developed for iPad. Are you a find the difference fan? Haven't you found a challenging one yet? Find in the mirror will make you crazy. In this game you have to keep your eyes skinned and stay focused, because animals in motion - designed with funny cartoon graphics - make your search more difficult.

Animals in motion, mirror images and time run outs are the elements which make a classical pastime game truly exciting. So far everything might seem to be normal, but mirror images further complicate the game: it's a puzzle. Moreover, time will be you enemy. Find in the mirror is an excellent pastime to challenge your friends, thanks to the local high score system, which allows you to save the score obtained at each level.

Game features:

- * 7 differences for each level
- * Motion images
- * Mirror images
- * Local high score system

Find in the mirror is free and available worldwide exclusively through the App Store in the Games category. Soon a new version of the game will be ready with many more levels and differences to find! Be the first to know!
