A mixture of strategy and combat action awaits players of Haypi Dragon. Brave people fight with dragons, but the real heroes tame them and lead them to protect the people. Haypi Dragon takes players to an enchanted world of energy crystals, golden chests, magic stones, hidden mysterious islands and ancient map pieces. There are 7 scenes with more than 200 levels in the newest online version, as well as many many various scenes in the PVP mode and in the activity "Secret of the Tree".

Shanghai, China - Are you ready for the most challenging battle with dragons? Brave people fight with dragons, but the real heroes tame them and lead them to protect the people. Players can do all that in the amazing Haypi Dragon, an MMORPG from the super creative developer Haypi Co., Ltd. The previous hit from the same developer was the entertaining MMO Haypi Kingdom for iOS and Android.

Haypi Dragon takes players to an enchanted world of energy crystals, golden chests, magic stones, hidden mysterious islands and ancient map pieces. Except for being super challenging and fascinating, Haypi Dragon is also very very diverse in content - it is actually a mixture of strategy and combat action. There are 7 scenes with more than 200 levels in the newest online version, as well as many many various scenes in the PVP mode and in the activity "Secret of the Tree". There is an expression version which makes dragons appear almost like they are living creatures and the player's real comrades in battle, which makes the game look like a world of dreams that is real at the same time. In Haypi Dragon players can have the most rewarding fun with online friends from all over the globe in the PVP version.

Haypi Dragon brings players to a world of fairy tales, which is utterly entertaining for players of every age and every walk of life. And players can play the offline version when there is no internet connection available. So, winning and losing in Haypi Dragon is always fun, try it out now!
