Published on 06/04/07

Noble Master Games is sponsoring the 1st International AO Stein Tournament in a game about world domination. Take the role of a budding empire to compete for tournament victory in a strategy game that's exciting, engaging, and challenging to play.

### **FOR IMMEDIATE RELEASE**

Noble Master Games is sponsoring the 1st International AO Stein Tournament in a game about world domination. Take the role of a budding empire to compete for tournament victory in a strategy game that's exciting, engaging, and challenging to play.

The International AO Stein Tournament is set to begin July 1st, 2007 and is targeted at casual players with interest in strategy gaming. Registration is free. The tournament is played in games of 32 players with the top players advancing to next stage. The winner of the final stage is declared the champion. Players compete in multiplayer fashion for the ultimate prize, the Noble Master Stein and tournament victory.

Royal AO is a turn-based interactive multiplayer strategy game with the objective to world domination in a 14th century setting. In one game you form alliances with other reigning or budding and struggling regions then one by one take control of it until the world is yours.
