

Damabia Introduces Boom!BOOM! Shotgun Pro Edition for iPhone and Touch

Published on 03/26/09

In association with RnSK Softronics, Damabia today announces Boom!BOOM! Shotgun Pro Edition for iPhone and Touch. Boom!BOOM! Shotgun Pro Edition includes our wildly popular shotgun, as well as a .40 cal semi-automatic handgun, a 9mm semi-automatic handgun, a submini automatic handgun and a fully automatic assault rifle. Boom!BOOM! Shotgun Pro Edition lets you experience this childhood game in a whole new way.

Paris, France - Playing cops and robbers was never this much fun! Damabia, in association with RnSK Softronics, let you experience this childhood game in a whole new way with Boom!BOOM! Shotgun Pro Edition. With stunning visuals, ear-popping sound, fantastic animations and a sleek, professional interface, Boom!BOOM! Shotgun Pro Edition has it all, plus much, much more. We were the first realistic sound and motion gun app with Bang!BANG!, and now you get five guns for five times the fun.

Boom!BOOM! Shotgun Pro Edition includes our wildly popular shotgun, as well as a .40 cal semi-automatic handgun, a 9mm semi-automatic handgun, a submini automatic handgun and a fully automatic assault rifle. There are no static images or clip art here; each weapon is hand crafted and individually animated. Our guns look and sound fantastic.

Jean-Paul Florencio, CEO of Damabia, said, "Bang!BANG! was the first and best gun app, but now we've gone even further. We've got the best weapons, the best sounds, and the best animations. You can't beat our gun apps!"

Feature Highlights:

- * Natural motion-controlled firing and reload action
- * Five powerful weapons, from handguns to shotguns
- * Beautiful graphics and smooth animations
- * Cinema quality effects sourced from Oscar-Winning Sound Designers
- * Lefty flip so southpaws don't shoot themselves accidentally
- * Light weight - no heavier than an iPod Touch or iPhone
- * Reduced recoil - just a comfortable vibration when fired
- * Optional silencer for stealth operation

Support Languages:

- * English

System Requirements:

Compatible with iPhone and iPod touch
Requires iPhone 2.1 Software Update
