PlayToddlers introduced this sunday their sixth game, Halloween Puzzle - A jigsaw puzzle from Transylvania 1.0.1, available for iPad, iPhone and iPod touch. Halloween Puzzle is the third jigsaw puzzle of the company where the kids are not only amused by the puzzle itself, but with colorful and interactive backgrounds. In Halloween Puzzle, children assemble pieces of 24 cute halloween themed illustrations. Every illustration can be played in a jigsaw of 4, 6 or 9 pieces.

Madrid, Spain - PlayToddlers introduced this last weekend their sixth game, Halloween Puzzle - A jigsaw puzzle from Transylvania, a game for children available for iPad, iPhone and iPod touch. Halloween Puzzle is the third jigsaw puzzle of the company where kids are not only amused by the puzzle itself, but with colorful and interactive backgrounds.

In Halloween Puzzle, players assemble pieces of 24 cute Halloween themed illustrations, every illustration can be played in a jigsaw of 4, 6 or 9 pieces. Kids also can play with four different scenarios, where they can enjoy with hanging spiders, flying bats, Halloween clouds, or cute ghosts.

"We wanted to develop a Halloween game to be played for every toddler, regardless how young is he or she. We developed Halloween Puzzle with a carefully refined appearance to be perceived as lovable characters, and to not cause any kind of fear even in youngest children. We reached that goal", adds Guillermo Fernandez, owner of PlayToddlers.
