

eiiEntertains Announces Major Update To Best Selling Christmas App

Published on 11/14/12

Independent app developer, eiiEntertains announces Festive Fun 1.3, a major update to their 2011 best-selling Christmas App for iPhone, iPod touch and iPad device users. Festive Fun boasts a rich mix of Christmas classics, like 'Days to Christmas', 'Christmas Jokes', 'Party Crackers' and 'Advent Calendar' along with new unique mini-app offerings such as 'Find the Present', 'Catch the Present' and the latest addition the arcade style 'Santa's Delivery'. Unbelievably Still Free to Download.

Scarborough, United Kingdom - Independent app developer eiiEntertains is announcing the release of a major update for their 2011 best-selling Christmas App for iPhone, iPod touch and iPad device users. Festive Fun boasts a rich mix of Christmas classics, like 'Days to Christmas', 'Christmas Jokes', 'Party Crackers' and 'Advent Calendar' along with new unique mini-app offerings such as 'Find the Present', 'Catch the Present' and the latest addition the arcade style 'Santa's Delivery'. Unbelievably its still free to download.

Festive Fun was originally designed to offer all of the small Christmas Apps that were appearing in one neat package, but after four incarnations it has grown beyond recognition. Festive Fun is for all the family to enjoy, each mini-app has been developed with the attention to detail and quality we devote to our other apps. Because it's a single package offering seven games, and six activities it saves nearly a whole page's worth of icons on your device.

New Mini-Games In This Release:

- * Count the Presents - Find out who's going to be fastest tallying up presents on Christmas morning
- * Santa's Delivery - Help Father Christmas deliver the parcels down the Chimney's but be careful not to drop them
- * Whack A Present - A Christmas take on the classic fairground game
- * Find The Present - Search out presents before the time runs out
- * Catch the present - Tilt your iPhone or iPad to catch the presents in Father Christmas' sack
- * Paint Pad - Colour in 7 festive scenes or doodle your own to colour

And The Old Favorites:

- * Present Match - Match the pairs of presents on the cards
- * Cracker - Pull a party cracker by yourself or with a friends
- * Collect The Presents - How many presents can you collect before the time runs out?
- * Art Pad - Doodle from scratch or on photo's and save your creations
- * Advent Calendar - You can't open the doors until December
- * Days Until Christmas - Helps you count down those days
- * Christmas Jokes - Hundreds of festive jokes, well it would not be Christmas without them

Device Requirements

- * iPhone 3GS, iPhone 4, iPhone 5, iPod touch, iPad and iPad mini
- * Requires iOS 4.3 or later
- * 11.3 MB

Pricing and Availability:
