

REALbasic Developer Magazine Book Pre-Order Sale

Published on 04/06/09

REALbasic Developer Magazine today announced the reprinting of its first five years of issues into convenient perfect-bound books which will be shipping in May. REALbasic Developer is renown around the world as the premiere source of REALbasic instruction, tutorials, and programming advice. Each 300 page book contains the full contents of one year of the magazine. Pre-orders of RBD Archive Volume 1-5 save 25% through April 20, 2009.

Lafayette, Oregon - REALbasic Developer Magazine is reprinting its first five years of issues into convenient perfect-bound books which will be shipping in May 2009. Through April 20th, Volumes 1-5 may be ordered for just \$22.50 each - 25% off the normal price of \$29.99. Current magazine subscribers can save an additional 10% on these collections with a subscriber discount.

RBD Archive Volume 6 was published last year and is available for \$49.99.

Each 300 page book contains the full contents of one year of the magazine (six issues) and features a full-color cover, black ink interior, and perfect-binding.

Those interested should place orders today on the REALbasic Developer website. This pre-order discount expires April 20, 2009.

REALbasic Developer is renown around the world as the premiere source of REALbasic instruction, tutorials, and programming advice. Each 50 page issue features articles from top REALbasic programmers and authors. Subscriptions in digital format (PDF) are \$49.99 per year. Individual printed issues may ordered via MagCloud. More information is available at the RBD website.
