

Dream of Pixels: Beautiful Falling Blocks Puzzle Game - In Reverse!

Published on 11/15/12

Slovenia based independent game development studio Dawn of Play announces the release of Dream of Pixels - a beautiful falling blocks puzzle game, in reverse - available now as a universal app for the iPhone, iPad and iPod touch at a special 66% off launch price to celebrate the release. A brilliant twist on the old classic - unpack tetromino blocks instead of the usual packing. Tap on the mesmerizing grid to unpack tetrominos and watch them spin, rotate and fall.

Ljubljana, Slovenia - Slovenia based independent game development studio Dawn of Play announces the release of Dream of Pixels - a beautiful falling blocks puzzle game, in reverse - available now as a universal app for the iPhone, iPad and iPod touch at a special 66% off launch price to celebrate the release.

Dream of Pixels is a beautiful falling blocks puzzle game - in reverse!

4.5 stars - "If only I could look up and touch a tetromino-filled sky... Until then, I thankfully have Dream of Pixels." - John Polson, TouchArcade

"Just watching the trailer I can feel years of pent-up stacking tension slipping away. So lovely." - Mike Fahey, Kotaku

"Wow, that is indeed a brilliant game design!" - Jason Rohrer

A brilliant twist on the old classic - unpack tetromino blocks instead of the usual packing. Tap on the mesmerizing grid to unpack tetrominos and watch them spin, rotate and fall. Clear the lines from the beautiful cloudy grid fast enough - or it's dream over.

Feature Highlights:

- * Enjoy the beautiful ever-changing visuals
- * Unpack lines in this brilliant twist on the falling blocks classic
- * Play 5 modes: Classic, Puzzle, Pro, Nightmare and Shattered Dream
- * Relax in Zen Puzzle mode - slow down and think about it
- * Listen to the amazing music, matching the visual experience perfectly
- * Challenge your friends via the new Game Center challenges
- * Share animated screenshots on Twitter and Facebook

Game Modes:

- * Classic - the original endless unpacking game
- * Puzzle - more than 50 puzzles, no descending grid, no time limits, just thinking
- * Pro - Classic, but starting at level 9 - faster with more points per line
- * Nightmare - starts with floating blocks, clear them all up as quick as you can to win
- * Shattered Dream - Classic with randomly placed holes in the grid

Device Requirements:

- * iPhone 3GS/4/4S/5, iPod touch (3rd/4th/5th generation), and iPad
- * Requires iOS 5.0 or later
- * Universal app optimized for display on all iOS devices
- * 39.4 MB

Pricing and Availability:

Dream of Pixels 1.0.14 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Games category.
