About SAMURAI II: Vengeance:

Samurai II got rave reviews for its stylized manga graphics and quick and bloody gameplay.

Overall production values and vicious action put Samurai II on par with console 3D

brawlers. With a virtual d-pad, dynamic camera, environmental puzzles, traps, and vicious new enemies, Samurai II is brand new experience for hack 'n' slash gamers on the go.

Samurai II sends Daisuke on a quest for revenge across the war-scorched countryside. From a seafaring village to a flying fortress to the legendary Isle of the Dead, the samurai will stop at nothing to hunt down his arch-enemy Orochi. Will he get his Vengeance?

The game supports also older iOS devices such as iPhone 3G, iPhone 3GS, iPhone 4, iPod touch 3G and iPad. It is also optimized for devices with Adroid 2.0.1 or higher.

About SHADOWGUN:

"One of the best-looking mobile games ever created." - ign.

Third person shooter SHADOWGUN received outstanding reviews and high ratings, became Number One Game in 25 countries and has been included in "App Store Rewind 2011."

The year is 2350, and corrupt intergalactic corporations are the rule of law, hiring bounty hunters and mercs to do their bidding. The best of the best are known as SHADOWGUNS. SHADOWGUN puts you into the role of John Slade, the galaxy's most infamous

bounty hunter. Your mission: hunt down Dr. Edgar Simon, maniacal genius and leader of his own mutant army. Using state-of-the-art weaponry, ships, and the assistance of S.A.R.A. - Slade's personal android assistant - SHADOWGUN combines intense tactical combat with 3rd person action.
