Klaipeda, Lithuania - Realore, a leading developer and publisher of casual and mobile games, today announced the upcoming release of Jet Trains, a fast-paced, competitive arcade racing game for all ages. Jet Trains will be available for free on the App Store for iPhone and iPad at the beginning of December.

Jet Trains takes place in a world of gangs and rivals where players take on the role of the son of the gang's leader that was killed in a race. In the chaos that followed, the gang split into separate groups, with members of each fighting for control of the gang, and the ultimate position as best racer. In this environment players must embark on numerous missions, face off against challenging bosses, customize their trains, and execute outrageous stunts in order to be the first across the finish line.

### Features:

- \* 31 levels in 6 locations
- \* Challenging bosses
- \* Lots of racers to defeat
- \* Various bonuses, powerups and upgrades
- \* Performing stunts and jumping off ramps
- \* Eccentric original characters
- \* Fast-paced gameplay

"The best gaming experiences happen when players are having fun and are fully immersed in a game. Jet Trains is a game that will make you lose track of time and will be difficult to step away from," said Natalia Matveeva, Co-Owner of Realore. "If you enjoy crazy speed, competitive action, and countless hours of missions, then Jet Trains is the game for you."
