

Save 60% on Instant, My Alarm Clock, FastComputer - AppyFridays

Published on 12/07/12

This weekend AppyFridays features 3 noteworthy Mac Apps on sale. With at least 60 percent discount, including Instant, FastComputer and My Alarm Clock, this weekend users can save big. Plus free bonus app Ringtone Maker by Xilisoft. The apps are available on sale, exclusively on Mac App Store till Sunday, December 9. AppyFridays is a popular web project that aims to help Mac users discover great apps at great prices and also help app developers climb the App Store charts.

San Francisco, California - San Francisco, California - This weekend AppyFridays features 3 noteworthy Mac Apps with at least 60% discount, including Instant, FastComputer and My Alarm Clock. Plus free bonus app Ringtone Maker by Xilisoft.

Instant (regular price \$4.99 USD, new price \$1.99) is a cool photo app to bring the unique look and feel of Polaroid snaps to your digital photos. Instant lets "re-shoot" images and watch them turn into stunning analogue shots. It's the only Mac photo app officially licensed by Polaroid.

FastComputer (regular price \$4.99, new price \$1.99) is a superb utility app that protects your Mac from anything that slows down its productivity. FastComputer is simple but powerful utility to help your Mac run faster in a matter of few clicks.

My Alarm Clock (regular price \$2.99, new price \$0.99) is a must-have app that allows to turn Mac into alarm clock that sings favorite tunes, a bedside clock with gorgeous themes and regular weather updates, and even sleep timer that lulls to sleep at night.

This week's exclusive offer is free copy of Xilisoft Ringtone Maker for everyone who purchases Instant, My Alarm Clock or FastComputer (any two apps). To get free app users should email a screenshot with apps in the dock to AppyFridays Team.

All three apps are on sale through the weekend till December 9.
