London, UK - XChange UK, the source for extended technology worldwide are pleased to announce the availability of the brand new X-PDF 9 & Crossroads Workflow Solutions Guide providing product details and system requirements for time-saving and valuable tools available for PDF creation, correction, preflight and delivery.

In cooperation with the participating developers, XChange UK have produced the guide to offer users a comprehensive single source for many of the tools available to expedite and streamline their PDF workflows. The X-PDF 9 Guide includes categories for Automation, Creation, Editing/Management, Output/Imposition, Preflight and a new section dedicated to Crossroads Workflow Solutions. The piece is now available for download at the XChange UK website, or users can contact XChange UK to receive a printed copy free of charge.

"We are frequently asked for a comprehensive listing and summary guide of the popular tools available for PDF workflows, and by working with our vendors and developers we have produced the PDF and printed versions of the X-PDF 9 Guide for just that reason. The piece provides users with insight into the type of technology out there - and more importantly - how they might utilize it to optimise and streamline their workflows," states Greg Stodghill, Support Services Manager at XChange UK.

XChange UK's previous X-PDF 8 Guide has enjoyed consistent popularity since it's release approximately two years ago, both as a downloadable PDF and through customer requests for printed copies. Continued customer interest made it necessary to update the guide with the latest solutions and available products to assist users in their PDF workflows. The X-PDF 9 Guide is available for download as a PDF document from XChange UK or users within the UK and Ireland can request a printed version be mailed to them.

For more information, users can visit the website, or call 44 (0)845 259 0255 during UK business hours to request a printed version of the X-PDF 9 Guide.
