Published on 12/13/12

ONcE UPon A Number 1.0 is a free iOS app that was approved and released on 12/12/12. Coincidence? It is not known if it is the result of karma, predestination, random chance, fate, a higher power, something else, or for absolutely no reason at all. The Excel Heritage Group, Inc. simply believed its Once Upon a Numbers Aligned! ONcE UPon a Number is an absolutely brilliant tactical board game for two players. It can be played against computer, pass 'n' play mode against family & friends, & more.

Cary, North Carolina - iOS Game ONcE UPon a Number - Approved and released on 12/12/12, Coincidence? Many philosophers and numerologists would tell us that is not coincidence and it happened for a reason. It is not known if it is the result of karma, predestination, random chance, fate, a higher power, something else, or for absolutely no reason at all. We simply believe our Once Upon a Numbers Aligned!

ONcE UPon a Number is an absolutely brilliant tactical board game for two players. It can be played against computer, in pass 'n' play mode against family and friends, or our favorite - taking on players from around the world. Player One chooses a row, Player Two chooses a column, number on intersecting tile equals the number of points for that round. Object of the game is to score more points than your opponent by the end of the game.
