

Toy Defense Gets Christmas Update

Published on 12/20/12

Following up on the Halloween update to Toy Defense, Melesta Games announced another big update to its popular tower defense game to celebrate the winter holiday season. The latest version of the game introduces the new world Christmas Defense which is a set of brand new levels themed around the classic story of saving Christmas. Players are invited to help Santa find his eight missing reindeer, so he can ride his flying sleigh and deliver all the presents in time for Christmas day.

Minsk, Belarus - Following up on the Halloween update to Toy Defense, Melesta Games today is proud to announce another big update to its popular tower defense game to celebrate the winter holiday season. The latest version of the game introduces the new world Christmas Defense which is a set of brand new levels themed around the classic story of saving Christmas. Players are invited to help Santa find his eight missing reindeer, so he can ride his flying sleigh and deliver all the presents in time for Christmas day.

Christmas Defense includes 12 new missions and a lot of new content to put players into the holiday spirit. Each level brings a new festive map all covered with snow and traditional holiday decorations like candies, stars, ribbons, tinsels and gingerbread men. Falling snowflakes and serpentine, shining lights and twinkling Christmas tree add even more festive flair to the game. In addition to that, the gameplay is accompanied by cheery Christmas music and sound effects.

The holiday update also includes surprise features and special bonuses which make the game much more festive and rewarding.

Game features:

- * Intense World War I atmosphere
- * 85 perfectly designed levels
- * 4 historically accurate weapons with 24 upgrades
- * 9 different enemies
- * 21 awards
- * Facebook integration
- * iPhone 5 full support
- * 4 power ups:
 - * Repairmen
 - * Resurrection
 - * Squashing
 - * Protective barrage

Language Support:

- * English, Chinese, Dutch, French, German, Italian, Japanese, Korean, Portuguese, Russian, Spanish, Swedish
