iFree Studio is formed by a group of hardcore game players and crazy game developers, who always have tons of innovative ideas for making better games. Most members have had several years' experiences in developing and publishing MMO PC games in North America. Now

motivated by a common goal based on the latest mobile game, these members teamed up to challenge a new path on multi-platforms including IOS, Android and Windows Phone 7. The studio has already released some popular mobile games in multi-language versions including Emross War, Avalon Wars, Space Dominion, Fantasy Farm, Tap Legend, Roman Empire, ect.
